Rio Travel Mug

Sizes available: Approximate dimensions 158mm tall x 80mm diameter. Please note mugs may vary slightly in size and these details should be used for guidance only.

We can accept artwork by disk, email or you can upload onto our FTP site. Please contact us for details.

Programs:
Mac: QuarkXpress 7, Illustrator, PhotoShop, and Adobe In Design.
PC: PhotoShop and Adobe InDesign

Please supply us with:
- Finished version of the artwork.
- All of the source files used to create the finished version, including all high resolution scans, all screen and printer fonts Label the disk with job title and return address.

All artwork supplied must be fully editable. The finished version should be supplied as a CYMK file (plus spot colour separations.)

Please note text must be no smaller than 8pt (15pt for etched mugs) and reversed out text should be larger and in bold.

Emailed artwork must be clearly labelled with your order number and company name in the reference line, or supplied on CD with the same information clearly marked. 4 colour process artwork needs to be 300dpi or higher.

Supply a print out:
Black and white or from a low-cost colour printer using the right file, not an earlier version. Label with PMS references for all corporate colours or other critical colour matches. Supply colour samples or swatches at the outset. Customer supplied printouts cannot be matched because there is no consistency of calibration between their machine and our press.

For Screen Printed designs please supply the following:
- Editable EPS file
- Image saved at 100% size or larger
- Pantone® references supplied for colours
- Fonts supplied or text saved as curves

Due to nature of this product tight registration may be difficult - registration may move by up to 3mm on screen print.
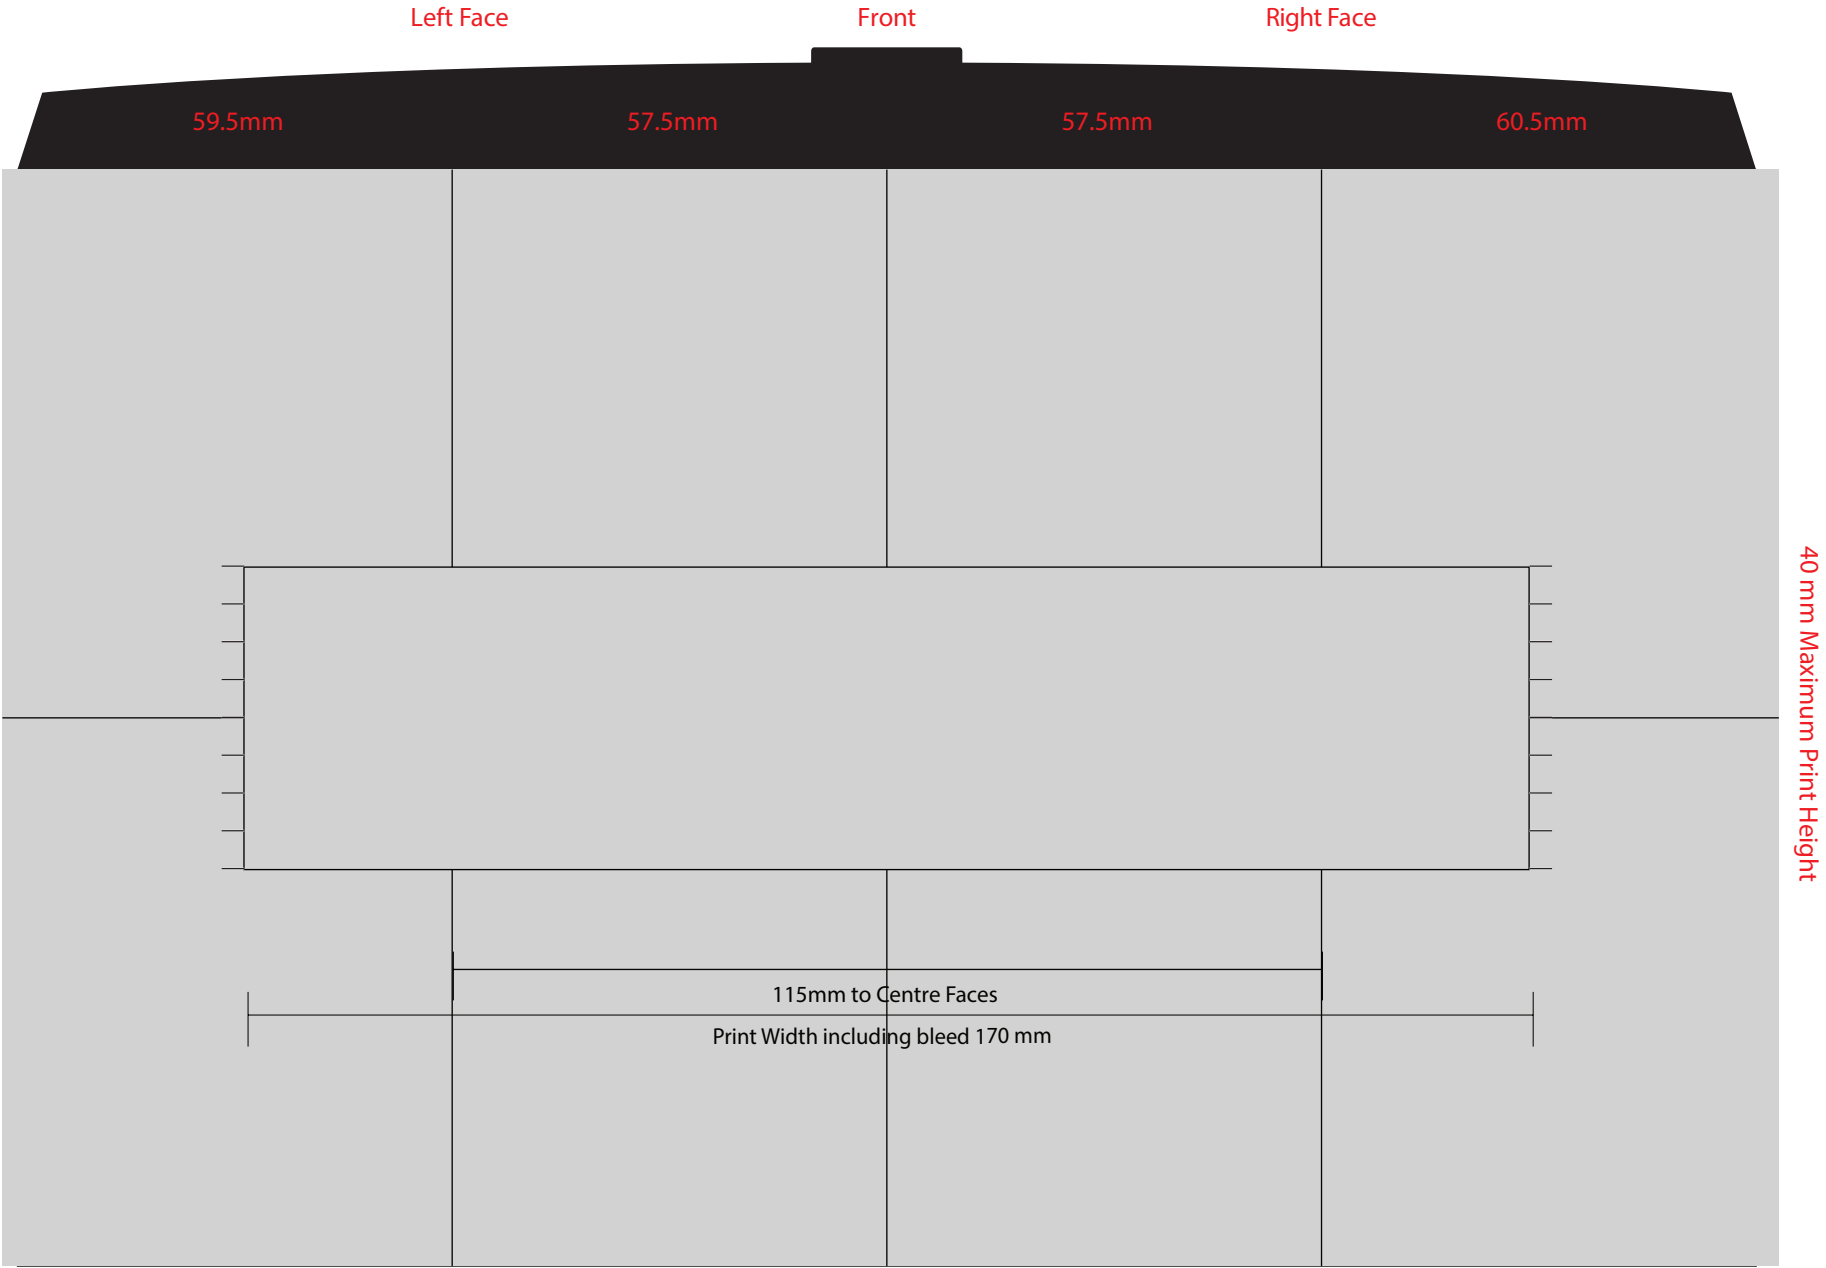

If you would like further information regarding a specific design, please feel free to contact us

Artwork Advisory

All dimensions are +/- manufacturing tolerances

*Faces indicate a right hand drinker,

Screen printed detail
must be at least 1pt (0.353mm) thick

Text should be minimum 8pt to remain legible.
Light text on a dark background
will reproduce better if bold

Any part of the artwork that shows white here on your proof,
including text, logos and backgrounds to images will show as the silver of the product showing through.
Dye sublimation uses CMYK ink and there is no white in this process.
On a metal product the end result will be a metallic lustre effect.
